

SAMUEL CODY SPECIALIST SPORTS COLLEGE

ASD Unit Conversion

PROJECT CASE STUDY

Gregory Bros Ltd were awarded the contract as the principal contractor for refurbishment of the existing Sports Pavilion to create a new ASDU (Autism Spectrum Disorder Unit) at Samuel Cody Specialist Sports College. The works consisted of the refurbishment and re-decoration of the existing building with internal alterations to partitions, ceilings, and floors, mechanical and electrical. Removal of the old barrel store and minor external works, fencing and landscaping. The existing pavilion building is located next to the AWSP (all weather sports pitch) Extensive external landscaping was also carried out.
